

SUMMARY OF GRANTS MANAGEMENT SOFTWARE – 11/2015

UPDATED in 2017: An 289 page in-depth analysis of 28 software systems can be downloaded at:

<http://idealware.org/reports/consumers-guide-grants-management-systems>

This extremely thorough 2013 analysis was completed by Idealware, the Technology Affinity Group (TAG), and the Grants Managers Network (GMN). HRA members noted the 8 software packages below - all but *JUMP appsolutions* are analyzed in the report. If your organization's choice is not listed please email Maryrose@healthra.org to have it included.

Altum
Altum has 2 packages

<https://www.altum.com/grants-management/proposalcentral/>
