Health Research Alliance
Collaboration Workshop

Tuesday November 12, 10am to Wednesday November 13, 1pm

Location: American Association for Cancer Research conference center, 615 Chestnut Street, 15th Floor

Workshop Purpose & Goals: The purpose of the HRA Collaboration Workshop is to help HRA members develop and sustain more impactful collaborative relationships to accelerate scientific discoveries and innovation in grantmaking and research. Over the course of this 1.5-day workshop, participants will:

- Learn the best practices of sustained collaboration,
- Find immediate opportunities to support each other’s work,
- Work together to address shared goals and advance the field, and
- Identify areas where the HRA can evolve and advance to support our collaborative work.
