Social Media and Our Mission

The Kavli Foundation is dedicated to advancing science for the benefit of humanity, promoting public understanding of scientific research, and supporting scientists and their work.
Priority Platforms
Content Strategy: Vision

You have to be willing to fund science without knowledge of the benefits.

Fred Kavli (1927–2013)

I believe in the long-range benefit of basic research.

Fred Kavli
Content Strategy: Humor

Sweat doesn't just cool us down (and stain our shirts), it also contains chemicals that can indicate stress, dehydration, diabetes, gout, and how the body is responding to medication. If only a sensitive wearable sensor could help us analyze it - oh look! kavlifoundation.org/kavli-news/new...
Content Strategy: Networking

The Kavli Prize @KavlirPrize - May 22

Nanoscience is the broadest of the fields we celebrate, spanning materials science, chemistry, quantum science, condensed-matter physics, molecular biology, optics, just to name a few!
