HEALTH RESEARCH ALLIANCE MEETING

Key Recommendations for Higher Education Institutions

Make systemwide changes that address the systems, cultures, and climates that enable sexual harassment to perpetuate:

- Address the most common form of sexual harassment: gender harassment
- Create diverse, inclusive, and respectful environments
- Diffuse the hierarchical and dependent relationship between trainees and faculty
- Improve transparency and accountability
- Provide support for targets
- Strive for strong and diverse leadership

Goals of the Action Collaborative

1. Facilitate and inform action on preventing and addressing harassment;
2. Share and elevate evidence-based policies and strategies for reducing and preventing sexual harassment;
3. Advance research on sexual harassment prevention, and gather and apply research results across institutions;
4. Raise awareness about sexual harassment and its consequences, and motivate action to address and prevent it; and
5. Assess progress in higher education toward reducing and preventing sexual harassment in higher education.

Key Aspects of the Action Collaborative

Resources from the Action Collaborative

Public Summit: Annual open forum for identifying, discussing, and elevating innovative and promising approaches – Presentation and Materials available online

Working Group Publications: gathering information on research and practices and produce publications that can inform and enable action

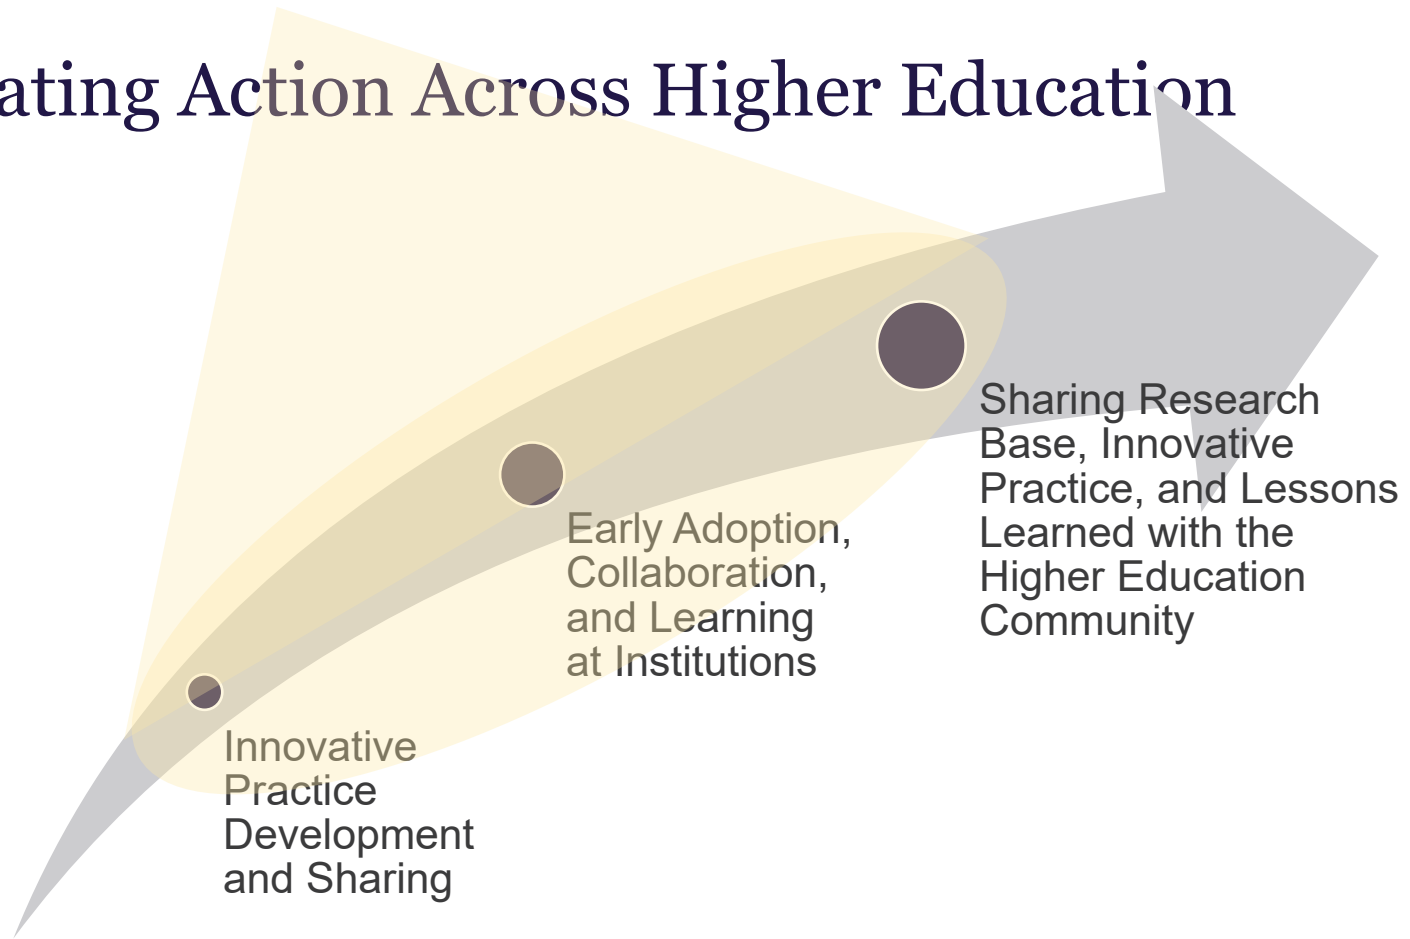

Rubric: List of the areas of work that align with the findings and recommendations from the National Academies 2018 report on *Sexual Harassment of Women*

Repository of Work: Collection of the most significant, novel actions that each Action Collaborative institution has taken
